Who is Iksoa Trea?

Iksoatrea ~ your light is your source ~ is a psychedelic music project brought into being in Switzerland. Theresa grew up in the Tyrolean Alps and went to her first Psytrance Party 7 years ago. She fell in love with psychedelic tunes and the state of Trance. She has always been fascinated about the creation of music and played violin for seven years. Right now she focuses on mixing tracks with psychedelic sets to send you on a groovy journey of Trance- spreading the ideology that the source of light is within you.

“ Music is here to flow through my feelings, to experience ecstatic moments in pure joy and love. It accompanied me in times of change, and supports me in the development of myself. Music reminds me of the light that shines inside of me and opens doors to the universe that lays in each of us“
