BIO

Born in 1994, MISAKI is a young Japanese talent launched her first party called Naked in her local area of Japan in 2013 and started to act as psytrance DJ and party organizer.

She first organized her own party Candyflip in 2015 and still have one every year.

Since then MISAKI and her future projects are being developed transmitting good vibes and honest energy to the audience.

Full-on psychedelic trance is her main style that she plays frequently on Japanese open air parties and clubs.
