Who is Mergel?

Mergel, a world known Psytrance project of Andrei Krasnoperov that started in Russia in 2007. Since Andrei's first psytrance influences in 2006, he became dedicated to the Psytrance scene, and later on achieved great success through a range of powerful releases. His music takes elements of all psytrance genres, including twilight and forest, a unique formula that transcends the crowds in every of his live acts.

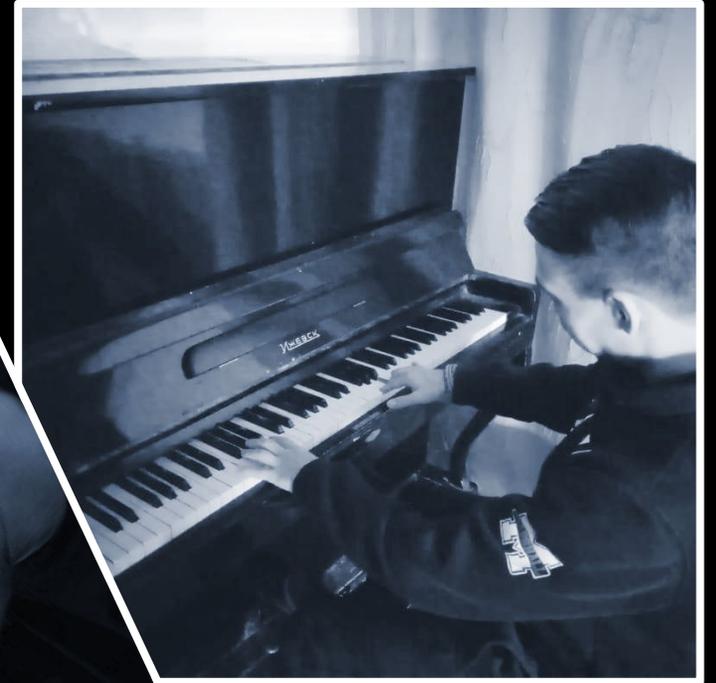

Mergel

Mindset
