Who is Erthran?

Erthran is the musical project of Brazilian artist Christian Andrade, a DJ and producer dedicated to exploring the deeper worlds of psychedelic trance. Originating from Belo Horizonte, Erthran has been steadily rising within the global scene, gaining recognition for his immersive sound and refined production style. Now part of the Blacklite Records roster, Erthran is evolving his sonic identity towards the powerful and mysterious landscapes of Twilight Psytrance. The journey is just at the beginning, and the future looks bright for this promising artist. You can expect no less than alchemical sets and next-gen twilight vibes.
