Who is Jhesha?

Born in Mexico, Jhesha began her musical journey, when she was 6 years old, studying piano since her early bird. Soon she kicked off her Dj Career and she started attending many parties and festivals in Mexico. Her charisma and passion drove her to a high energetic music style which later conquered many Psychedelic Music parties and festivals. Jhesha can be defined as a Psytrance/Forest Producer with a magical touch of mystic psychedelic emotions, accompanied by high technology frequencies and killer power bass lines. We are sure that her music will certainly blow all minds who listen to her sounds and connect to her creativity.
