Vibe Control

Who is Vibe Control?

Farbod aka Vibe Control was born in 1991. He started his music journey in 2010. The idea of the name 'Vibe Control' came from his belief in the power of music that can change your spiritual well being. With his full-on/psychedelic trance style from 145 to 148 bpm, he can adapt his performance to the crowd with joy and enthusiasm. Moving forward in his music career, he performed in worldwide festivals and many underground parties in Iran. Taking further steps into this magical world, he started producing in 2019 to pursue bigger plans.
