Adrenaline Rush

Live Set

Who is Adrenaline Rush?

Adrenaline Rush, a psytrance project of Fabio Santos began in 2013 in Lisbon, Portugal. Fast enough he shared big lineups with all international and national artists. During Goa Season 2015 he managed to play in some cool locations and this led him to a big musical evolution. Besides DJ-ing, his passion for music encouraged him for production. Being on stage and the energy of the dancefloor made him evolve with his creations and has been presenting us with some fresh twilight tracks.
